THE FACE OF  
NATURAL HEALING  
**Linda Haley**

**The Reiki Center**, the area's oldest and largest natural wellness center, specializes in more than two dozen natural therapies to relieve stress and anxiety, restore function, empower and educate from the company's studios and classroom in the Grandview area.

Reiki, a Japanese technique for relaxation and pain and stress relief, remains the cornerstone of the Center's services. The Reiki Center offers the most comprehensive Reiki training in the region, teaching the easy process to benefit yourself and others.

Professional therapies include massage therapy and energy work, naturopathy, intuitive and shamanic services and animal services.
